

Making a difference, working on international projects, taking responsibility and still not following a dress code?

Welcome to Traveltainment, a company of the Amadeus IT Group SA with about 15,000 employees worldwide. You see beyond the end of your nose and are into further training?

Then you are exactly right for the leading provider of a global, multichannel capable sales platform for travel services.

The big international travel portals like TUI, FTI, HolidayCheck and Expedia as well as several thousand travel agencies rank among our customers.

To support our team,  
we are looking for a  
**Project Manager (f/m)**  
in Aachen/Würselen

Felix M. from Velbert  
**Senior Product Manager**  
and passionate skier

**What you will do at our company**

- \_ You are the technical and functional contact person for our customers in the Tribe Solutions for Travel Portals
- \_ You check the technical integration possibilities of our products considering the customer's specific requirements
- \_ You accompany the implementation and are the coordinator between customers and further internal units
- \_ From conception to launch you assist colleagues with the planning, realization and managing of the projects with direct customer contact
- \_ You work independently in an agile environment and you are willing to learn every day

**What you contribute to our company**

- \_ Completed commercial training with a touristic or IT background
- \_ Professional experience in the tourism or e-commerce industry
- \_ Online and IT affinity as well as a good understanding of requirements and project management
- \_ XML, HTML, responsive web design as well as SEO / SEM are not foreign words for you

**Why it is worthwhile for you to move to Traveltainment**

- \_ As part of the Amadeus Group we work internationally with our colleagues on joint projects.
- \_ We offer you the opportunity of corporate-wide training.
- \_ Make an active contribution to the path to the agile world.
- \_ For us, working hours are a matter of trust and should be fun.
- \_ Stay as you are - instead of dress code we offer individuality.
- \_ Exclusively for our employees there are special offers around the topics holiday, travel, technology, fashion etc.

What else? Also besides work, there are many options at our company: Playing billiards or kicker, eating together in the canteen or enjoying the sunshine on the terrace!

Wish for a change of scene, super nice colleagues and a varied workplace? Then apply via our [online portal](#) or [e-mail](#) and shape the future of travel with us. You find answers to your questions concerning the application [here](#).
